The Committee shall:

- Undertake a comprehensive survey of the estuarine islands of Mandovi, viz. Chorao, Capao, Jua, Diwar and Cumbarjua, to determine the nature and extent of erosion in the five islands and identify the causes which have resulted in such erosion.
- Recommend remedial measures to be adopted for maintenance and preservation of the said islands and prepare an action plan, with time frame and budget, identifying responsibilities to be assigned to different Government and non-Government agencies for implementation.
- Analyse the legal and institutional framework for protection of bunds, as outlined in the Goa, Daman & Diu Agricultural Tenancy Act, 1964 and suggest amendment if any, including the feasibility of enacting new legislation for conservation and management of khazan and Estuarine lands.
- Recommend an appropriate management structure for monitoring and implementation of the action plan.

The Committee may undertake necessary surveys, call for concerned records and consult experts as may be required to facilitate its work.

The Committee may also interact with Village Panchayats, Tenants Associations and other concerned members of the public and ensure that the public view point is appropriately assessed and reflected in the recommendations.

The Committee may appoint technical sub-committees as may be considered necessary.

While making its recommendations, the Committee shall keep in view the recommendations made by the agricultural Land Development Panel, 1992, and follow up action thereon.

All expenses relating to the Committee, including secretarial support, shall be provided by the Revenue Department, Government of Goa.

The Committee shall submit its report by 31-12-1999.

By order and in the name of the Governor of Goa.

Rakesh Mehta, Development Commissioner.

Panaji, 3rd June, 1999.
